Cardston 4th Ward Reunion

held at the Social Centre

April 26th, 1955

---

A lovely supper was served by the Relief Society to approx. 400 members of the ward.

Programme-

1. Skit by Scouts under direction of Grant Johnson
2. Piano Solo - Karen Card.
3. Skit - Jr. Gleaners.

So the wards were divided, in '46 it was, the reason given, the why and because. The membership had grown apace and there was no more room in the meeting place. Another good reason they couldn't avoid, was to find more jobs for the unemployed. More than 100 vacancies must be filled, with men and women able and willing. What comes first of course is the Bishopric, Can you find themen to do the trick? That man, Lyle Holland, he surely could, with Owen Quinton and Byard Wood to help to father this fatherless ward, you'll find them trying and trying hard all day long and from dark till dawn choosing the people to carry on.

Read names and had officers 1946 stand

4. We think it is no more than right that the next number given here tonight should be dedicated to the first to serve, this much they surely do deserve.

Vocal solo by Ilean Rutledge- May the Good Lord bless and keep you.

In the 4th Ward it happened that self same year, the first new baby did a ppear. A sweet little girl Sandra her name, to the home of Reid and Melva came. Strange things happen in his ward, by chance or by design, in this case, whi hever, we think it is just fine, that the sister of Sandra, sweer Sheryl Rae, was the last to be blest, done last Sabbath day. To these two charming daughters of Melva and Reid, we present the next member. We're sure all are agreed.

5. Dance - Ann Williams.

Read names 1947-1948 and had all stand.

6. Trumpet Solo - DeWayne Duce

Read names 1950 and had all stand.

## Cardston 4th Ward Breaks Old Record

CARDSTON — The Cardston Fourth Ward under the leadership of Bishop Lyle Holland set a new attendance record Sunday March 19 at Sacramento meeting with 76 per cent of the ward being in attendance.

It was thought that the previous record of 54 per cent set nearly two weeks prior, was really a percentage to be proud of, but with 76 per cent of the ward attending, extra seats had to be placed in the aisles.

The Cardston Fourth Ward has set some envious records within the Alberta Stake in nearly all departments, the Ward Teaching percentage always being in the 80's and often the 90's, Relief Society teaching more often than not 100 per cent, all MIA activities having high attendances.

### 12—CHURCH SECTION

Now what about results, what the church records show, of a Ward better than the 4th Ward does anyone know?

6. Piano Duet - Zelpha Hansen and daughter Rita.

And now ladies and gentlemen in 51 & 52 we received a new Bishopric with officers staunch and true.

Read names and had stand.

7. Reading - Heber Sheffield
8. Piano Solo - Colette Card.
9. Duet - Jean Meyers & Leo Davidson-Count you blessings
10. Blackouts; - Trevor Hammond and Grant Johnson
11. Rose Song - Mia Maids
12. Reading - Fay Johnson
13. Duet - Carl and Fern Williams.

Pictures were then shown taken from some of the outstanding events and dramas directed by La Jean Daines.
